

Gymnastics | Frequently Asked Questions

What is included in a Gymnastics program membership?

- One gymnastics class per week year round
- Unlimited access to AquaHub and Aquanation aquatics, as well as Croydon Memorial Pool (seasonal)
- Free access to the pool inflatables when in operation
- 1 parent/guardian access free of charge when swimming with their child (program member)
- Fortnightly payments via direct debit
- 25% off a second program class of Learn to Swim or Gymnastics
- Four weeks of optional suspension that can be used at anytime during the year (medical excluded), your payments and classes will be suspended for two weeks unless specified it's only for one.
- Five weeks of the Holiday Intensive Swim Program per calendar year (valued at \$75)

Are there any additional charges?

- An annual \$45 registration fee is set by Gymnastics Australia which covers you for 12 months of insurance and affiliation with Gymnastic Australia Ltd.

What is different about your program?

Our Kinder gym is a fun and innovative program, catering for children aged 2-4 of all skill levels and ability. Our after school program is a recreational program that is not competitive, but still offers classes for all levels from beginner to technical.

We offer a relaxed and fun program with the ability to progress and still develop gymnastics skills to a technical level.

What should my child bring to classes?

Please bring with you a water bottle.

What should my child wear?

Your child should wear something that is comfortable, easy to move in and will keep them cool. Bare feet (no socks) are ideal and participants with long hair should have it tied back.

How will I know about my child's progression?

Our coaches complete regular assessments and issue certificates to children as they progress between levels. Once your child has received a certificate, they will change groups. If you have any questions regarding your child's progress, please speak to your child's coach or the Gymnastics Coordinator.

How often should my child attend classes?

Every week! Gymnastics is a great way to keep active and have fun, whilst learning new skills.

Gymnastics | Frequently Asked Questions

What if we miss a class or are going to be away?

If you are missing more than two weeks in a row, you can suspend your membership for a maximum of four weeks per calendar year. Please contact customer service in the venue or phone 9294 5500 for any medical suspensions.

What qualifications do the gymnastics coaches have?

All of our coaches are fully qualified and accredited with Gymnastics Australia. All of our team hold current Working With Children Checks and complete Police Checks prior to any offer of employment.

How can I support my child's learning?

Our assessments are ongoing and a coach will progress a child when they feel they are capable of moving to the next level. Understanding that the time taken is different for every child, will allow them to get the most benefit out of gymnastics. We encourage you to speak with your child's coach or the Gymnastics Coordinator to address any specific concerns that will assist in your child's learning.

Do I have to stay with my child during classes?

Children under 10 years old are required to be supervised by an adult for the entire class. This allows coaches to be uninterrupted if children require attention unrelated to the class.

What happens if my child is crying and won't join the class?

Our coaches and coordinator are always available to assist your child to feel as comfortable as possible.

What happens if my child is misbehaving?

If you are concerned about your child's behavior during class, please talk to the Gymnastics Coordinator, so we can work together to provide positive learning experiences for everyone.
